CITY OF LODI COUNCIL COMMUNICATION

AGENDA TITLE: Adopt Resolution of Intention to Abandon a Portion of Maxwell Street; Refer the Matter to Planning Commission; and Set Public Hearing for November 3, 2004

MEETING DATE: September 15, 2004

PREPARED BY: Public Works Director

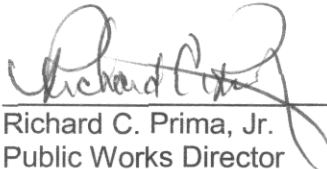

RECOMMENDED ACTION: That the City Council adopt a Resolution of Intention to consider abandonment of a portion of Maxwell Street, as shown on Exhibit A; refer the matter to the Planning Commission for approval; and set a public hearing for the regular Council meeting of November 3, 2004.

BACKGROUND INFORMATION: On May 19, 1977, Maxwell Street was dedicated as a public street with the "A.B.T. Industrial Park" development. The street was 190 feet long, with a cul-de-sac bulb at the west terminus. Subsequently, on April 19, 1979, a parcel map was filed that dedicated public street right-of-way for Ackerman Drive, a north-south 60-foot wide street that intersected the Maxwell Street cul-de-sac and created a surplus of public right-of-way, as shown on Exhibit A. The owner of the parcel at 1615 South Stockton Street, which is contiguous to the Maxwell and Ackerman Streets right-of-way, has requested that the 537 square feet of surplus right-of-way be abandoned.

A public utility easement will be retained over the abandoned street easement. Existing SBC Pacific Bell overhead lines will remain.

SBC Pacific Bell and PG&E have approved the abandonment on the condition an easement is maintained. City of Lodi Electric Utility and Public Works Departments have approved the street abandonment without comment.

FUNDING: Not applicable.
